**NOTES:** \*Layered clothing offers flexibility, it can be cooler while out in the skiffs. \*Swimsuit is for use at great natural hot springs! \*Soft luggage is recommended and appreciated. \*Limited storage available for luggage not requiring access. \*Drawers and closets in cabins for storing frequently used items.

**INCLUDED:** \*Gourmet meals, soft drinks, beer, select wine with evening meals \*Snacks from ships special selection \*All linens, bedding, towels \*Saltwater fishing tackle & bait \* Crab & shrimp traps \* Fishing trips & shore excursions \*Seafood cleaning, freezing and transport to processing facility \*Sea kayaking \*Extensive ship’s library of reference books \* VCR/DVD library of reference and entertainment films \*Custom itinerary planning on private charters \*Excellent service from experienced crew \* Awesome environment, relaxing ambience, and lots of FUN!!!

**EXCLUDED:** \*Airmiles, including optional flightseeing \*Fishing licenses \*Liquor \*Local tax \*Seafood packing & shipping \*Gratuities

**FISHING LICENSES:** can be purchased onboard or prior to departure and require photo ID. You must have a fishing license for any type of fishing activity (approximately \$55US for 7 day license).

**SOME FINAL TIPS:** Please review ALASKA SEA ADVENTURES Terms & Conditions and feel free to ask questions. \*Airlines should notify booking party of schedule changes. Reconfirm all flights at least 15 days prior to departure. Arrive early and/or stay over after your cruise, there’s lots to see! \*A stopover in Juneau usually will not add cost to airline travel. \*We can suggest some excellent add-on trips to visit other parts of Alaska. Please let us know if we can help with recommendations and/or arrangements. Please call or email us with any questions, we are here to help!

**Transfers:** We provide transfers from your flight to lodging and to the boat prior to departure of your cruise as well as transfers to airport or lodging at the conclusion of your cruise. \*\* It is **IMPORTANT** that we receive your travel and lodging information on the provided form so that we can plan to meet you upon arrival.

It will be departure time before you know it. We are delighted you selected Alaska Sea Adventures to show you a unique part of the real Alaska as only the ‘locals’ know it, and we pledge our very best efforts to create an adventure of a lifetime for you. An add agency phrase, “Once you’ve been to Alaska, you can never get all the way back” is so very true!! We suspect you may soon share the ‘problem’!

Welcome aboard and warm regards,

“Capt. Dennis”

  - Connection cable**
- Storage Media (CD/DVD)**
- Tripod**
- Monopod**
- Video camera**

The photographic opportunities on your ASA charter/cruise will far exceed your wildest expectations. We would like to help you be prepared to capture these moments in order to take advantage of these world class photo opportunities of a lifetime.

The *Northern Song* is well equipped with 110 volt outlets distributed though the salon, bridge, cabins and flying bridge. There are outlets available with safe 110 volt inverter power for charging 24/7. Many of our guests enjoy preliminary editing of images on a laptop computer which also allows for backing up files on media disc such as CD or DVD. We recommend preparing to store more images than you may originally intend. Bring EXTRA media cards and storage. Camera media cards should be at least 6 MB or larger. We also encourage you to bring a means to back up your files in two locations.

Polarizing lens filters for photography around and over the water are highly recommended with a preference for circular polarizing filters. Since most photography occurs on board the yacht, we suggest image stabilizing cameras and/or lens, and monopod for onboard shooting and tripod for shore based shooting. Wide and telephoto lenses are also wise additions.

As with all planning for your Alaska adventure, we are very delighted to assist, so please feel free to ask. We look forward to hearing from you!
