Certain risks cannot be eliminated without destroying the unique character of the activity. The same elements that contribute to the unique character of the activity can be causes of loss or damage to your equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. We do not want to frighten you or reduce your enthusiasm for this activity, but we do think it is important for you to know in advance what to expect and to be informed of the inherent risks.

COVENANT OF GOOD FAITH: I recognize that you, as provider of goods and/or services, will operate under a covenant of good faith and fair dealing, but that you may find it necessary to terminate an activity or terminate the participation of any person for the safety of myself and/or other participants.
